New Baby Vehicles Of All Kinds.

A Carriage or Go-Cart is an absolute essential if the baby's health and comfort are to be safeguarded.

MONTH ago we announced that our display of Baby Carriages and Go-Carts was in readiness for selection. Now every line has been added to, and what was then a splen-did completeness has now broadened considerably—so much that we are able to state that we have never presented such a large

Every vehicle, no matter what sort of a model, whether it is the lowest or the highest priced, is light running, generous in size, and accurately proportioned and balanced.

devices which would contribute to the comfort and safety of the baby or increase convenience and lighten the cares of the mother have been incorporated in the construction of these Carriages and Go-Carts. Only the best makers are repre-
